How Did They Do That?

- From furnished 80# coated flat press sheets, Bindagraphics die cut flap and folded signatures.
- Saddle stitched 2 up and die cut in line to a finished single piece brochure.
- The ability to bind and die cut this product in line allowed Bindagraphics to offer attractive pricing and an aggressive scheduling on this 1.2 million copy retail services guide. Depending on product size and imposition many saddle-stitched products can be produced multiple up using this modern technology.
